

# Christmas 'Banquet'

Do you like to bake, craft, or perform? We'd love to showcase your skills at this year's Christmas Banquet!

Next month we will begin collecting items for the auction so we wanted to give some time to prepare and plan for those who may make something and time to rehearse for those who would like to provide entertainment during the event.

We know there will be an event this year. The options we are asking you to consider prior to discussion at the Congregational Meeting are:

**Online Event with closed bid auction and Zoom performances**

Or

**Dessert Night in the church with silent auction** *In order to serve*

*indoor food we will need to adopt the Restrictions Exemption Program*

*which means showing proof of vaccine or negative test at the door and*

*wearing a mask when not seated at your table. It is not clear at this time*

*how that will affect any musical performances or singing.*
