BEYOND FIRST MENNONITE

“Is Our Climate Polarized?” is an online Mennonite Central Committee (MCC) Peace & Justice Student Seminar, being held February 22 - 24. This virtual seminar is an opportunity for young adults to meet MCC staff, engage with parliamentarians and civil society actors, and hear from experts in a variety of contexts about how they are building bridges to create a more sustainable future. For more information and to register, go to:

Material Resources is one of the most popular ways for MCC to support the needs of our global neighbors. People at home contribute materials for Relief Kits, Hygiene Kits, and more, to be sent to those in need around the world. Learn more about Material Resources:
