MENNONITE CENTRAL COMMITTEE (MCC)

Until July 17, the Government of Canada will match every dollar you give through the Humanitarian Coalition—which MCC participates in through our membership in Canadian Foodgrains Bank. That means every gift you make today to provide emergency food will double in value, but this matching donation will end in just one week! Children and families in South Sudan and around the world are facing starvation and suffering. MCC partners are providing life-saving food to families and children who are in desperate need and we need your help to help them! To donate, go to:

GO!100 with us this summer and make a difference! GO!100 participants and donors raise funds to provide food, clean water, education, and more for people in 47 countries. You're invited to help MCC's relief, development, and peace work to continue being there for vulnerable people. Our own Elsie Wiebe and Nathan Burgess are both raising funds for Go!100 and are looking for sponsors. To sponsor Elsie and/or Nathan, go to:

Assembling MCC School Kits can be a fun summer project to do with the children in your life. School Kits are treasured by families around the world who struggle to afford basic school supplies. For more information contact our Material Resources Coordinator, Linda Dickinson, at:
