MENNONITE CENTRAL COMMITTEE (MCC)

GO!100 with us this summer and make a difference! Last summer, GO!100 participants and donors raised more than \$243,000 to provide food, clean water, education, and more for people in 47 countries - that's 121% of our fundraising goal. Once again, we invite you to GO!100 and help MCC's relief, development, and peace work to continue being there for vulnerable people. Elsie Wiebe and Nathan Burgess are both raising funds for Go!100 and are looking for sponsors. To sponsor Elsie and Nathan, or to learn more, go to:

The program will include multiple discipleship and service opportunities with MCC partners. The Seek program begins in January 2023 and takes place in Palestine, Israel, and Jordan. Continue to be in prayer for those who are experiencing illness and remember to pray for those who are the caregivers.

June is graduation season. Pray for all our graduates, at all levels of education.

We believe that as members of a church community, we should be doing what we can to eliminate any barriers anyone may have to participation and worship in community. And one of those barriers that some in our congregation may be experiencing is simply an increasing difficulty in traveling to our building on Sunday mornings for worship, despite a desire to be present.

If this describes you, and you are finding it difficult to find a way to drive or travel to our building on Sundays, please reach out to the Deacons. There are other members of our congregation who would be more than happy to provide a ride for you and we would like to connect and organize that service. Please contact Richard Gorecki or any other deacon to be connected with other members who could assist you in this way.

We Declare: what we have seen & heard: Edmonton July 29-August 1. Time is running out for in-person registration - the deadline is June 15! Register at:
