

MENNO SIMONS CHRISTIAN SCHOOL BURSARY APPLICATION

As a school, we are strengthened and enriched by the diversity of our families. Together, God calls us to use our resources honestly, wisely and generously. However, MSCS recognizes that circumstances may make society fee an undue financial hardship and therefore has made provision for assistance to responsible families with a proven need.

We recognize that society fee assistance is a personal matter and the information on this application is confidential.

As you complete this application please consider the following:

- **For students currently enrolled, all past society fees must be up to date.**

Bursary Guidelines

The school has a limited amount of money available for bursaries. We make every effort to balance the needs of families applying for bursaries with the overall need of the school to stay within our budget. The following guidelines have been established in order to prioritize bursary applications.

- The Bursary Committee will allocate the amount of the total bursary funds available after receipt and review of fully completed applications. The deadline for receipt of applications is **August 15**.
 - The Bursary amount will be based on line 150 of your tax return (total family income) of the current year using a formula designed by the bursary committee. **You will be asked to provide a copy of the page with line 150.**
