PRAISE & PRAYER NOTES

Mennonite Church of Colombia (IMCOL) asks us to pray for them as they support congregations in areas of violence. "Violence is widespread and affects us all. There is not a day that goes by that we do not hear of deaths, fighting, and coca crops. We fear for the welfare of children, young people, and the whole church. But as a Church we cannot fall into despair. These events pain us but we must strengthen our hope in God." Praise God for the witness of peace they bring to the region and the strong message of hope in darkness.

PeaceBuilders Community, Inc., in the Philippines invites you to pray with them as they plan with Mennonite Church Canada Witness Workers, Dann and Joji Pantoja. Together they are working on creating a sustainable future of training for peace and reconciliation and economic development for marginalized communities. Pray for wisdom as they seek God's vision for peace and harmony with the people and the land.

With the news of increasing violence in Myanmar, we invite you to continue to pray for the people of Myanmar. Please pray also for our nationwide siblings in our community of faith, many of whom are still unable to reach their family members in Myanmar. We invite you to reach out with encouragement to the Calgary Chin Christian Church at: calgarychinchurch@gmail.com.
