

# #ChurchToo

## Show Info

Artfully depicted through a variety of scenes and relationships, #ChurchToo explores the struggle of wading into the realities of sexual assault and examines the difficulties of speaking out in a community where the topic of sex is often considered taboo.

Follow an array of characters through seven vignettes, each bringing to life stories about hidden trends within our church communities. From the hidden relationship of a young woman and her pastor, to discriminatory church policies, all the way to bringing forth of allegations against people in power, #ChurchToo illuminates the messy dynamics that accompany the complicated truths of power and sexual abuse.
