BEYOND FIRST MENNONITE

Thank you for an exciting summer filled with MCC's GO!100 activities! Together we raised \$242,734.30. From ages 8-88, individuals and churches got GO-ing to bring hope and build a strong future. Participants sewed, biked, dribbled basketballs, played music, gathered bottles, and walked to support people all around the world to survive and thrive, with food, clean water, and more. Generous donors supported them and cheered them on! A huge thank you to Frank Flaman and the Flaman Foundation for encouraging all of us with a \$50,000.00 matching donation.

With your generous support, MCC and their partners can provide emergency food baskets to help save the lives of displaced children and families in Syria and other countries affected by conflict.

Canadian Mennonite University (CMU) is offering *Xplore: At the Intersection of Faith and Life*, a series of six-week Zoom courses, beginning October 5.
